2 SEATER SOFA

How To Assemble:

Step 1

Drape slipcover over furniture using positioning labels. Start at either side and stretch over and down arms.

Step 2

Tuck and smooth excess fabric into crevices. Lift and wrap the elastic under back and sides of the seat, pushing down and under cushions.

Step 3

Continue to smooth out until even all around.

Fits most 2 seater sofas.
(sofa length from 147cm to 185cm)
