1 SEATER RECLINER

How To Assemble:

Step 1

Position fabric over back and set shoulders in place. Pull cover down to wrap underneath the base of the furniture.

Step 2

Redline backrest slightly and raise footrest. Position arms. Tug and stretch to pull under bottom to hold securely.

Step 3

Place handle opening over handle, set darts at bottom of inside arm. Smooth fabric toward seat, tuck into sides and back.

Step 4

Tie elastic loops beneath the footrest to maintain the position of the footrest and arms.

Fits around entire back of recliner
(198cm to 244cm)
